

SHALENDRA FLOSHIN

Shalendra kept many secrets from her brother Darfin Floshin. Humans' dominance in the North after the fall of elves became a source of bitterness for her—one that led her into the influence of a pit fiend named Baazka.

The intervention of heroes from Daggerford ultimately saved her from the dark path she was on. When she recovered, she vowed to fight the Thayans until they were no longer a threat to the North.

Syranna, a female human, once believed Szass Tam's authority to be supreme. However, the lack of oversight in the Doomvault by Tam has given her the latitude to plot to upset the power structure in Thay. Her magic specialty is the school of conjuration.
